### Noise-Isolating Headphones

Music isn't just music, it's who we are. We are wired into our sound; it pulses through our veins. It's part of our DNA. Our music DNA is unique; it's like no one else's. MuzxDNA earphones give you the tools to express yourself. With subtle yet distinctive design elements, they fit your style. In tune with your body, the SungFit™ design features flexible material that adapts to the contours of your ear, blocking out noise and allowing you to truly feel your music. With enhanced bass frequency response, you can hear the full depth of your anthems without pushing the volume high. Let your music express who you are.

#### Ultimate Sound Guarantee Story

We're passionately proud of our sound! If you do not feel these are the best sounding earphones for the price, simply return them to the store within 30 days from time of purchase.\*
