ALTEC LANSING®
inMotion™
MOBILE AUDIO

IT'LL STICK WITH YOUR IPOD NANO THROUGH THIN AND THIN!

Okay, so your iPod nano is the coolest thing since the discovery of electricity. Want to know the second coolest thing? Then introduce yourself to the inMotion iM500 for iPod nano. It's compact, lightweight and super-thin just like your iPod nano. So you can take it with you... wherever. And it features two custom, full-range drivers, plus built-in bass-enhancement technology for stunning, surprisingly clear sound. You can plug it in or choose battery power. And it syncs and charges your iPod nano.

Made for:
• iPod nano

Sound

An amplified extension of your iPod nano, the inMotion iM500 replaces headphone listening and delivers high quality, crystal-clear sound.

Mobile

The wafer-thin, lightweight speaker system that goes just about anywhere you want to listen to music.

Durable

Designed to be tough, the inMotion iM500 is durable enough for the most rugged traveler.

Charged

The inMotion iM500 automatically recharges your iPod when plugged in and docked.

Unplugged

The inMotion iM500's battery life gives you complete freedom (AC adapter also included).

Altec Lansing

inMotion™
small package... Big, Big Sound!
