

- Portable, compact and universal passive speakers
- Original design - new colours : Rainbow and Stripes
- Output 2 x 2,5 watts
- Simple connection with the audio cable

Portable and compact, Bubble speakers are ultralight and small in size. You'll be surprised by their original and funny bubble shape. Choose the cosy style, with the black and grey case of Bubble Black, or for a more "fun" atmosphere, go with the colourful and striped Bubble Rainbow or for Bubble Stripes version.
