A SUPERIOR MOBILE EXPERIENCE

Bluetooth Station
Connect wirelessly to your mobile phone or tablet and enjoy both your calls and your music

📞 Phone Handset
Make and receive mobile calls with ePure Bluetooth handset. Works with any Bluetooth® mobile phone, tablet or PC and significantly improves voice quality and comfort.

🔊 Hands Free
Designed for additional comfort you can choose to free your hands, place it anywhere in the room, and share the conversation.

🎵 Music Speakers
The ePure mobile allows you to stream music from your mobile using two powerful speakers. Simply control the music level and other functions (play/pause/next/previous) from the handset.

📶 FullEco
The ePure mobile significantly reduces the amount of radiation absorbed by your body by directing the mobile phone waves away from your head.
